## A Thousand Words

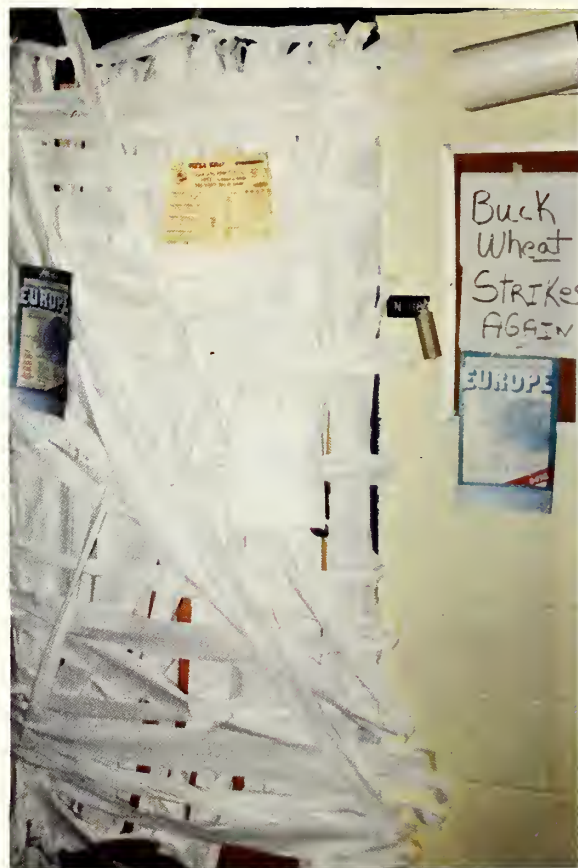

## Campus Tradition

## A Subtle Reminder

October 23, 1983, 6:22 am: While the United States Battalion Landing Team slept, two tons of dynamite exploded killing two hundred and forty one Marines. "Bloody Sunday" as it was referred to by the press, further demonstrated the hatred of Americans in the Middle East. The "peace keeping mission," as described by President Regan, had taken another less than peaceful turn.

While students here at UE walked through the Circle the subtle reminder of the flag flying at half mast spread a somber mood throughout the campus. The news struck a cord particularly in the minds and hearts of the young men at UE. Many of those Marines killed were the same age as those going to class — one Marine as young as eighteen years old was killed in the Beirut Massacre.

While the lives of so many young people at UE were being enhanced with a college education, the lives of so many young men in Beirut had been taken from them — for no good reason.

The men in Beirut did not even understand why it had happened. National news carried stories of bitter Marines searching for answers as well as searching for the bodies buried beneath the rubble. Their friends, our loved ones. We will remember them.

Not one of the most pleasant assignments in class, Kari Huseth explores a cat.

# Academics

## GRADUATION!!

Approximately 962 students received associate, bachelor and master degrees at UE's 126th Commencement Exercises on Sunday May 20, at Roberts Municipal Stadium.

Television talk show host Phil Donahue gave the Commencement address. He advised students not to let themselves be pushed

around by government but to speak their mind and let their views be known. Following his speech Donahue was awarded an honorary Doctor of Laws degree from President Graves.

Basil Lorch, attorney-at-law in New Albany also received an honorary Doctor Of Laws degree.

Judge William H. Miller, judge of

the Vanderburgh Circuit Court in Evansville, received the University of Evansville's Medal of Honor. Miller is a graduate of UE. The medal is awarded to persons who have brought unusual credit to the University by their outstanding achievements or for their extraordinary contributions to the University.

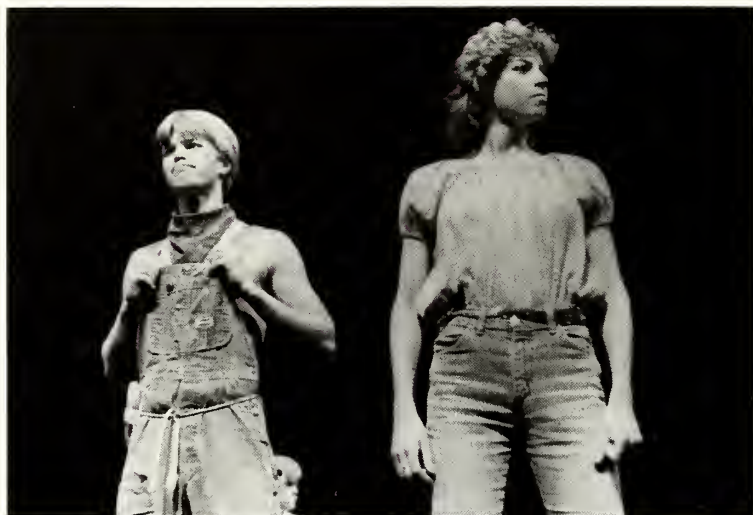

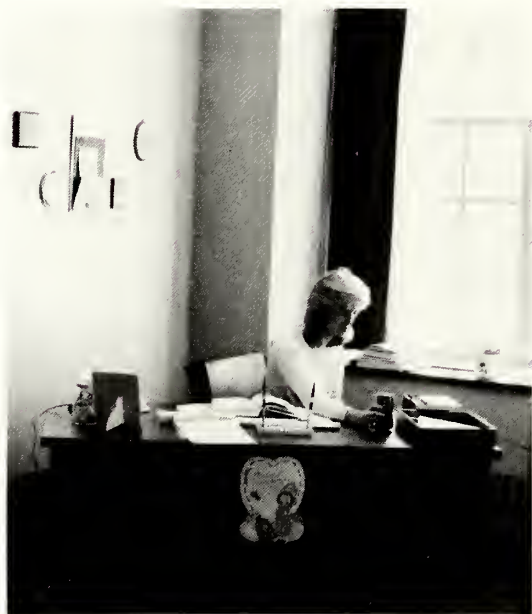

## It's Not All Academics

Dr. R. Morton Darrow, futurist and former vice president of public affairs for Prudential Insurance Company was on campus from October 27th as a Woodrow Wilson Visiting Fellow.

While on campus, Darrow spent most of his time meeting with various classes. While in Evansville Darrow spoke to many civic organizations and participated in the Chapel Convocation Series.

## Woodrow Wilson Fellow Visits UE

## Where It Begins

The University of Evansville enrolled 4,613 credit students for fall quarter of 1983, according to Ken Jones, registrar at UE.

A total of 725 new freshmen enrolled, 60 more than last year. In addition to the increase in size, UE's 1983 Freshmen class has scored 22 points higher than last year's class on the SAT, and 31 percent of the class ranked in the top 10 percent of their high school class.

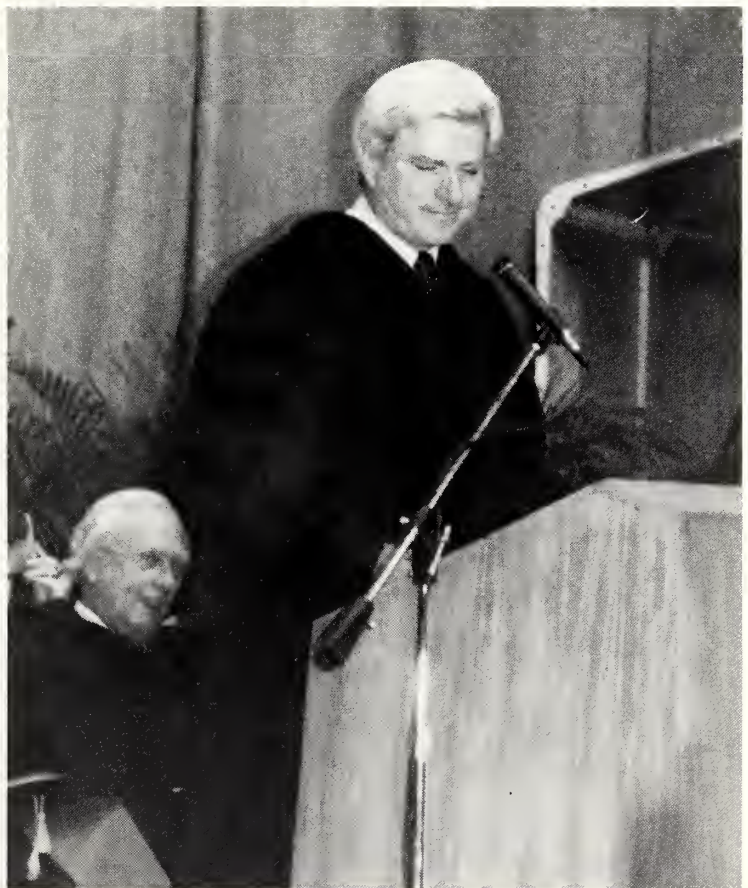

Total enrollment for credit and non-credit classes for fall quarter 1983 was approximately 6,600.

# Independant Bike Trip To Florida for the American Heart Association

Eight University Of Evansville bicyclist pedalled to Florida to raise \$10,000 for the American Heart Association.

The Independant Cycling Team left Evansville Friday, February 25 at 4 a.m. Four days later they crossed the Florida state line.

The trip was made possible with the help of Black Beauty Resources who donated money for it and to

Holiday Inns who offered free lodging for every night except one.

Freshman Tom Mueller, sophomore Loren Hartmen, Juniors Tim Maas and Steve Gravelle, Seniors Bob Bowman, Jose Simonet, and Dave Kuykendall and 1983 graduate Brad Pollen composed the team.

These bikers rode an average of 100 miles plus a day. Even though

they fell short of their goal of 10,000 miles because of the bad weather and some injuries, the trip was successful and rewarding.

The route took them to Daytona Beach, over the east coast and north through Jacksonville. A supporting van with a crew composed of Kelley Campbell, Trish Sitt and Julie Price followed the bikers all the way.

Due to the great expansion in enrollment and athletic activities since 1961, Carson Center could no longer handle the current programs, much less maintain a competitive edge in the 80's and 90's. The University of Evansville is proud of its athletic heritage and with the new proposed construction and renovation of Carson Center, this fine tradition will be continued.

The objective of the Carson Center Campaign was to raise \$1,687,000 to supplement \$313,000 previously contributed by alumni through telephone solici-

tion. Phase I had a completion date for the beginning of the 1984 football season; Phase II would be completed in the summer of 1985; and Phase III would be completed in the 1985-86 academic year. Phase I includes; additions to Carson Center, football stadium/dressing rooms, a press box, and seating-permanent/rollaway. Phase II includes; renovation of Carson Center, and other additions to Carson Center. Phase III includes; new construction of racquetball courts, and Physical Education facilities.

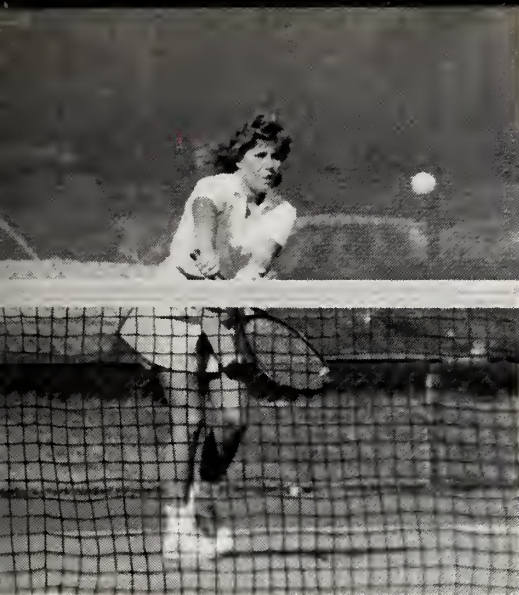

The 1983-1984 Lady Aces Tennis team was young and learned many things over the season. The tennis season is divided into two seasons, one in the spring and one in the fall. In the fall the Aces were 7-7 and finished 5th out of 8 teams in the newly created North Star Conference. At the finish of the fall season Keely Porter had the best doubles record on the team, sharing that record with Lori Reeder at 10-4. Mary Longstaff had the best record in the singles, posting a 9-5.

The Aces had a tough spring season, playing many tough Division I schools, with the likes of Western Kentucky, Morehead State, Eastern

Senior free safety Ty Cheisa and Junior wide receiver Al Baity were the University of Evansville's representatives on the Heartland Collegiate Conference first team. Ty Cheisa was also selected as Outstanding Defensive Back in the HCC by league football coaches.

Cheisa led the 3-4-3 Aces in tackles (99), interceptions (8), and fumble recoveries (4), and was the team's leading punt returner. Baity led Evansville in pass receptions with 59, and caught six touchdown passes. He was second in the HCC in catches with 40.

Second team selections from Evansville included placekicker Craig Helfert, offensive tackle Mark Foster, offensive guard Dave Coud-

ret, linebacker Phil Mortis and nose-guard Mark Brooks. Receiving honorable mention selection were tight end Jeff Willman, offensive guard Myron Werner, running back Bubby Lewis, quarterback Ralph Pavak, defensive lineman Steve Scott and Charles Owens, and linebackers June Handy and Gregg Greulich.

Under fourth-year head coach Randy Rogers, the squad lost its bid for a winning season. Despite the performance of Bubby Lewis, Evansville's bid for its second consecutive winning season in football came up three points shy, as 6-3 Georgetown college beat the 3-3-3 Aces, 16-14.

Lewis finished as Evansville's season rushing leader for the second

time in his career. Lewis' performance against Georgetown may have been his best ever. He carried the ball 15 times for a career-high 140 yards, caught two passes for 43 yards, scored a touchdown on a 37-yard pass, and then caught a two-point conversion pass following the touchdown. Lewis' efforts earned him co-offensive Player of the Week honors in the Heartland Collegiate Conference.

"That's the kind of game we envisioned from Bubby when we recruited him," said Evansville coach Randy Rogers, "and if we can keep him healthy for the next two years, we'll see a lot more performances like that."

## Aces Set Heartland Collegiate Conference Record

1

4

During an exciting 1983 campaign, the Purple Aces set four new records. Craig Helfert now owns all three University of Evansville field goal records. These records include most FG's in a game (3 vs. Ashland), most FG's in a season (12 in 1983), and most FG's in a career (22). A sophomore, Helfert tied another sophomore — Bubby Lewis — for the team scoring title with 56 points.

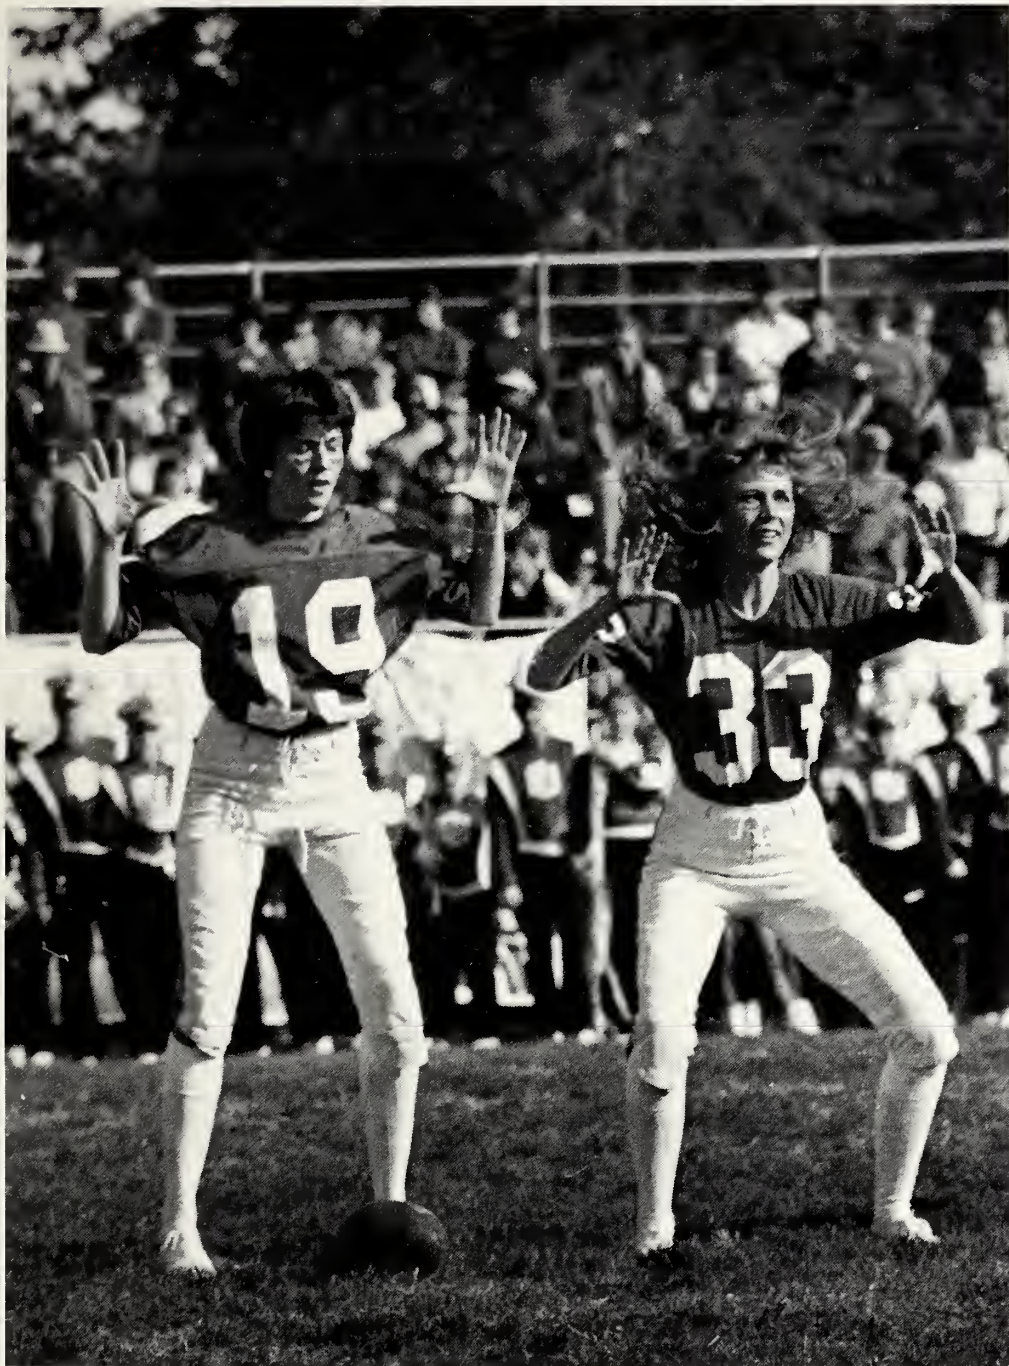

The only other record Evansville set in 1983 was for single-game pass attempts. The Aces threw 68 times against Butler to break the old record of 65, set against Ball State in 1970. Although not listed officially in the record book, Evansville broke a record for tied games with three. That is a Heartland Collegiate Conference record.

UE's football Aces averaged 310.8 yards per game passing,

compared to 313.0 in 1982 when Evansville led all NCAA Division II schools in passing. The Aces were ranked second nationally in Division II passing most of the season behind HCC rival Franklin College.

Al Baity received 59 passes for 939 yards in 1983 for coach Randy Rodgers "Air Evansville". The Aces scored an amazing 107 points in the fourth quarter. The defensive strength would not be out done by

the offensive unit. UE allowed only 59 points to be scored upon them during fourth quarter action. The Aces allowed only 202 points to be scored upon them, as compared to the season before, it is fewer points given up. The 1983-84 version of the Lady Aces volleyball team was an exciting one. Seven University of Evansville volleyball records were broken and then reset in 1983-84 season. Four of the new records were set by Laura Seib, one by Laura's sister Kim, one for Debbie Bajovich, and one shared by Laura and Kim.

The University of Evansville soccer team found out that if would not be invited to the NCAA Tournament, but not even that news could cast a shadow over the Aces' success in 1983.

Evansville came back from a 3-4-3 start to finish the season with a 13-5-4 record, ending the season with a 2-1 triumph at home over Bowling Green State University. Freshman sensation Dan McHugh, who led the Aces in scoring with 11 goals and six assists for 28 points, scored Evansville's

first goal against the Falcons. Bowling Green then tied the score late in the first half, but sophomore Rob Schoenstein scored his fourth goal of the season at 65:27 and it stood for the remainder of the game as Evansville goalkeeper A.J. Lachowecki turned away 10 of Bowling Green's 11 shots.

Despite going 10-1-1 in the last 12 outings, Evansville could not overcome its slow start as far as the Great Lakes Region rankings were concerned. The Great Lakes

Region Selection Committee chose defending national champion Indiana, Akron, and Wisconsin-Green Bay as its top three teams. Last year, Evansville and Indiana were the only two teams from the Great Lakes Region chosen for the tournament. Evansville was 1-2-2 against teams selected for the 1983 NCAA Tournament, Akron, Nevada-Las Vegas, Indiana, St. Louis, and UCLA. Evansville's top four scorers return in 1984, as does goalkeeper A.J. Lachowecki.

"We're disappointed about not making the tourney, but elated over the way we finished this season," says coach Fred Schmalz, who posted his fifth consecutive winning season at Evansville. "There's no room for error when it comes to making the NCAA Tournament. We messed up early, and it killed us. But we went 10-1-1 in our last 12, and that's something all the guys on this team should be proud of."

The Purple Aces basketball team will return four starters next year from the 1983-84 University of Evansville squad. They will return from a team that finished strong at the end of this past season by winning six of their last eight games to finish with a 15-14 record. It was the fourth winning season in the last five years at Evansville, and the 23rd in the last 31 seasons.

Coach Dick Walters had a milestone year, winning his 100th game at Evansville and the 300th in his 15-year college basketball coaching

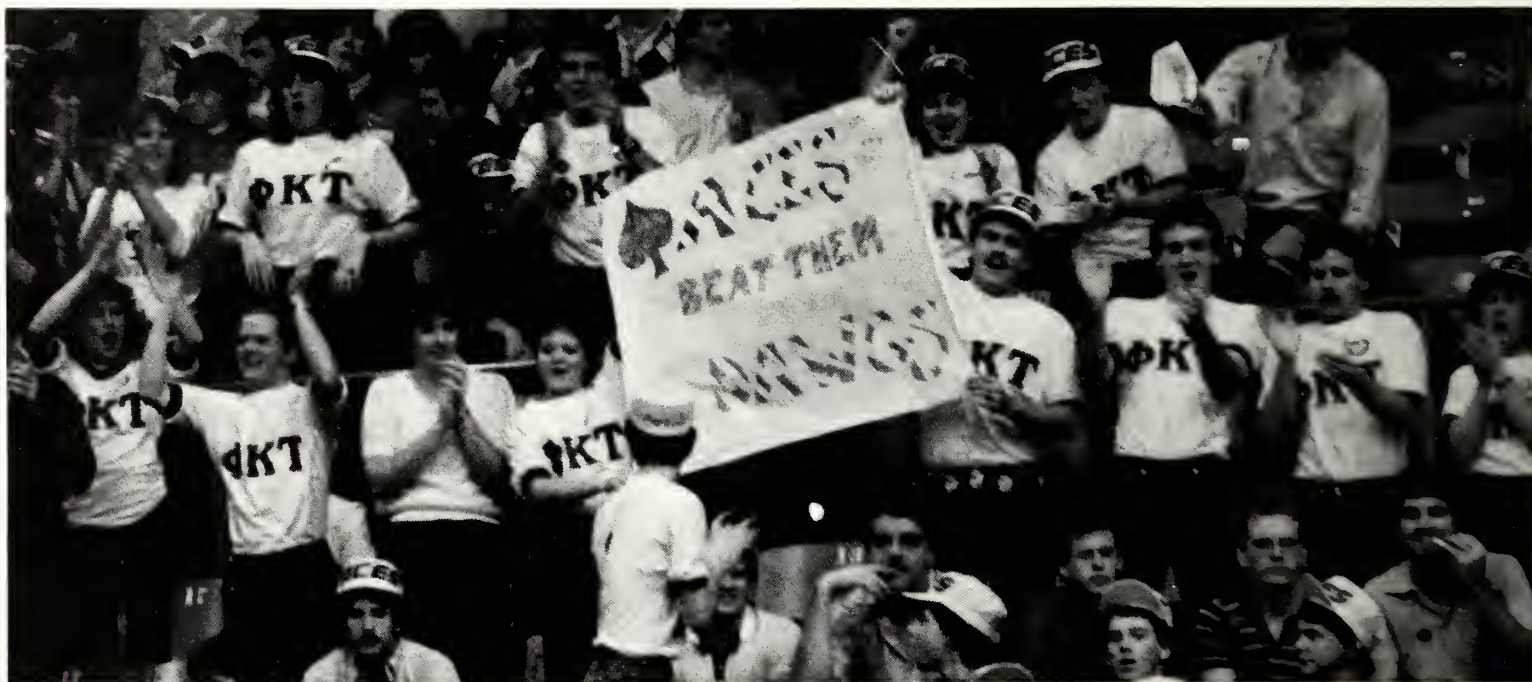

career.

December 19, 1983 will long be remembered. Big Ten co-champion Purdue suffered its first loss of the season that night, 80-65, at Roberts Stadium in front of a sell-out crowd of 11,165. The Boiler-makers from Purdue came down to the pocket city and got their pockets picked.

Junior Tyrone Scott smashed the school record for assists in a season with 166 this season. UE broke the school record for team free throw percentage by hitting 76.3 percent

of its free throws. That ranked the Aces fifth in the nation. UE also scored 106 points against Oklahoma City. Junior forward Ritchie Johnson and Sophomore Bubby Mukes shared the honors for top scoring in a game this season with 31 points.

Johnson had 31 against Texas-Arlington and Mukes had 31 against Oral Roberts. The Purple Aces won the Aces Invitational Tournament and put three players on the all-AIT team, Mukes, Johnson, and John Worth.

The Lady Aces ended the 1983-84 basketball season by losing to North Star Conference rival Notre Dame, 80-68. Shelly Brand led the team in scoring with 26 points, while Denise Spear added 18 points and 10 rebounds.

Evansville ended the season with a 4-22 record, while attaining a 1-10 record in North Star Conference play. "Our play was not as bad as our record indicates," according to head coach Linda Wambach. "It was a frustrating in that we couldn't compete with a lot of the teams due to our lack of height."

The Aces were led by the "Reitz Connection" of junior Brand, sophomore Barb Dykstra and freshman Lisa Martin. Brand led the Aces in scoring this year with a 19.5 scoring clip. She also set a new school record for the most points in a career and was number one in the nation for free throw shooting (.868). Dykstra was second in scoring with a 14.2 mark and led the team in assists with 91. Martin led the team in blocked shots with 20 and was the "most improved player on the team", according to Wambach.

The 83-84 season was the final one for four seniors. Kim Williams, Jenny Schulz, Kim Smith, and Marty Neihaus will be missed because of their leadership and defensive qualities. Schulz led the Aces in rebounding with a 6.5 average on the season.

In order to have a good season next season, Wambach has one basic need. The Lady Aces must have some inside scoring and to get that the Aces need to recruit some height. "Shelly and Barb can't do it all, and I think that this season proved that," Wambach said.

The Aces will have a good returning nucleus next season. Besides the "Reitz Connection" other returnees include Spear, Karen Baney, Schoan Hensel, Bobbi Jo Lovell, Whitney Marshall, and Rayna Reece.

The University Of Evansville baseball team concluded the 1984 campaign last week by winning two out of four games from perennial national power Oral Roberts University. The Aces had their post-season tournament bid dashed when it was determined that the Titans had a better record against Division I opponents than did the Aces. "Those four games showed me that we can play with anyone," Brownlie stated. "We were the type of team that I wanted to be: highly competitive."

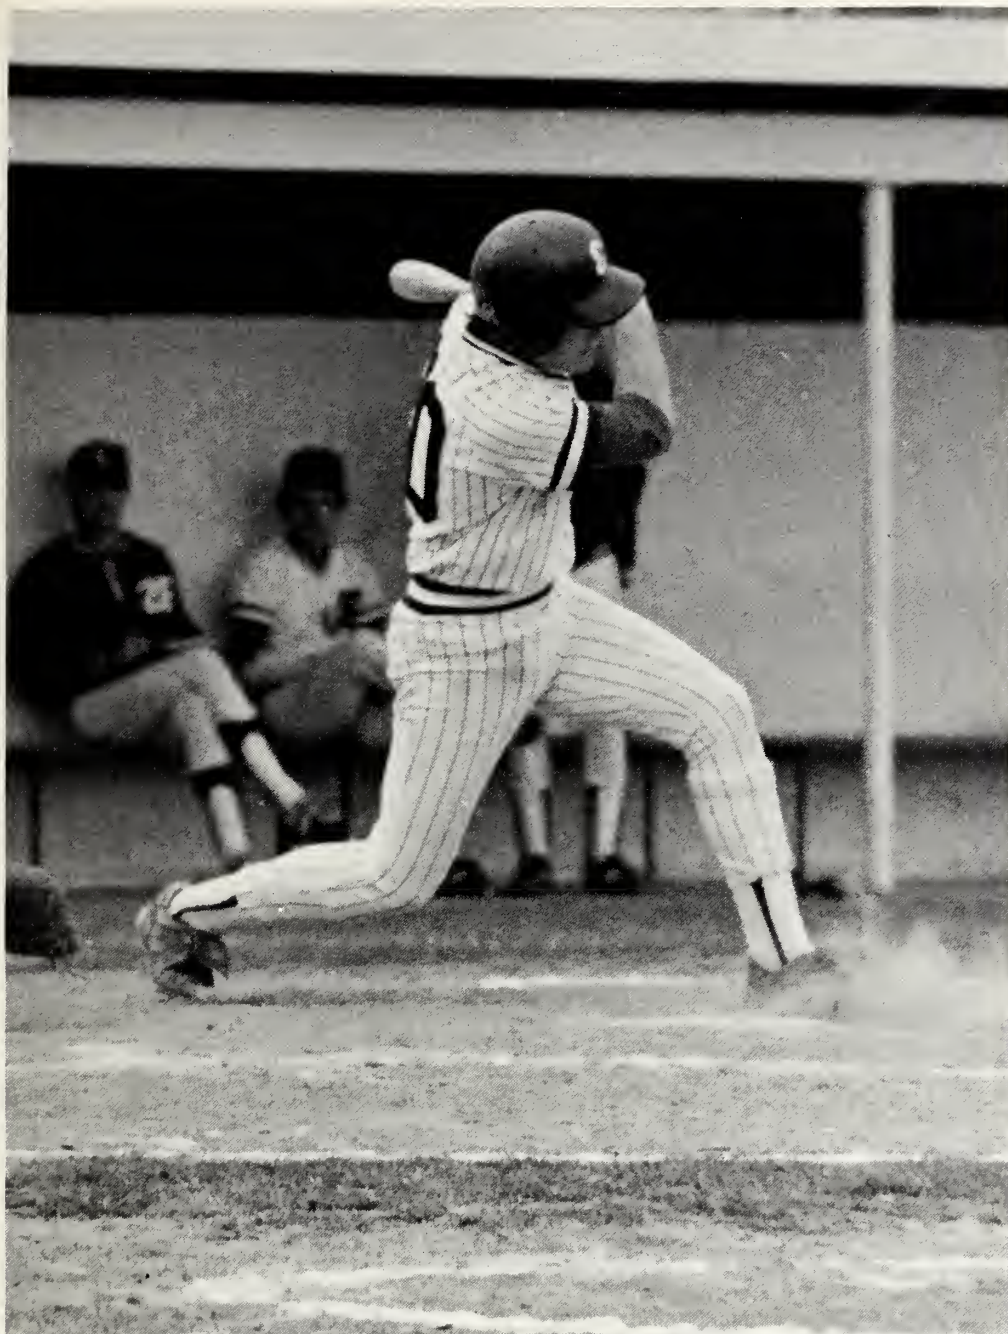

The Aces tied or set many records this season. Second baseman Tom Weinzaphel set the Aces' season

mark for doubles with 15. "Zap" was flawless from the second base position, making no errors in 266 chances. He had 129 assists, a school record.

Senior Ty Chiesa set the Aces' mark for the most walks in a season with 49. Rick Sharp set the record for the most games started with 16. Career marks were set by senior Ron Kremer with 662 times at bat and 188 hits. Chiesa set the career record for doubles with 35.

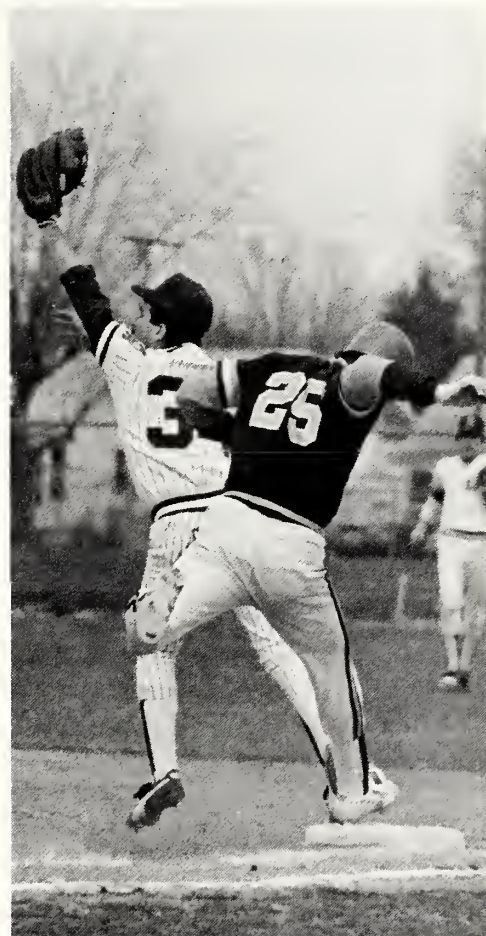

The Aces will lose ten seniors to graduation, a fact which didn't escape Brownlie. "You cannot replace the character of the ten seniors," said Brownlie. "They are

The University of Evansville Lady Aces Softball team has already broken the school record for the most victories in a season, surpassing the old record of 20 wins. And they became the first University of Evansville team to ever win a North Star Conference championship. That title helped Evansville finish second out of eight schools in the NSC all-sports standings, ahead of such schools as Notre Dame and DePaul.

Coach Brett Hawkins pointed out that the Lady Aces' 21-inning victory over IU-PU-I as the season highlight. That triumph gave the Aces their record-tying 20th win. Evansville will lose only one senior, and Hawkins has already recruited a strong freshman class, Giving UE hope that its softball program will even be better in 1985.

Women's track had one of the best seasons that the University of Evansville has produced. The Lady Aces placed fourth at the DePauw Invitational. Mindy Parrish broke both the 100-meter and the 200-meter school records with times of :12.19 and :26.0, respectively. Both of those times also set new DePauw track records. Kari Huseeth broke the UE record for the 800-meter run with a time of 2:16.0.

The men also had a good season. Eric Jackson won both the Midwest-

ern City Conference and the Heartland conference championships in the high jump. Bubby Lewis won both the State and Heartland Conference in the 200-meter run. UE's 400-meter relay team came within .8 of a second of a school record.

This year's team was filled with a lot of young talent. Mindy Parrish and Kurt Klem, who had an exciting first year running the 800-meter run, should be the main cogs in future years. The records should be hard to break in the future.

The AOPi's also participated in the homecoming activities in the fall, nominating Shawn Hornaday as our queen candidate, participating in the float building contest with the men of Sigma Alpha Epsilon and taking part in

spirit week with their first place banner.

Other activities that the members of AOPi were proud to be a part of were a special parents weekend in January, participation in the winter homecoming activities by selecting Karen Wannemuehler to represent AOPi, and of their third place finish with the men of Phi Kappa Tau in Musical Madness.

The Chi Epsilon Chapter of Chi Omega had another fantastic year full of community and campus achievements. Rush was a big success with Chi-O taking quota of twenty six super pledges.

Later in the fall quarter, senior Kelly Haffner represented the chapter as first runner-up on the Football Homecoming Court. The women of Chi Omega joined the men of Sigma Phi Epsilon in building the third place Homecoming float.

Senior Sarah Hirsch reigned as Lambda Chi Alpha Watermellon Bust Queen, directing the chapter in raising over five hundred dollars for the annual event. The Chi-Os have reigned as Watermellow Queen the past three years.

In the Sig-Ep-A-GO-GO, pledges Mikisue Roloff and JoDee Arvin jazzed their way to third place. As the year progressed so did the chapter. Senior, Amy Schnapf was nominated as Basketball Homecoming

Queen Candidate.

Returning from spring break, the Chi-Os teamed up with the Lambda Chis to take second in the most successful Musical Madness Program ever. Easter was celebrated with a great turn out for the Lambda Chi/Chi Omega Easter Egg Hunt.

The year came to an end with a first place win in the Little 39 Bike Race, an all campus ice cream social, and

Delta Sigma Theta; Deidre Roach, Debbie Trotter, Joann Griffin, Jacquie King

At the inception of Delta Sigma Theta Sorority, Inc., founded in 1913 at Howard University, the founders started a group of college women pledged to serious endeavor and community service. These students demonstrated vital concern for social welfare, academic excellence and cultural enrichment. Their ideas of scholarship and service have withstood the test of time. Today, Delta Sigma Theta is a public service sorority emphasizing scholarship, character and service dedicated to a program of sharing membership and organizational

skills in the public interest. In 1930, Delta Sigma Theta was incorporated as a national organization in Washington, D.C.

The Kappa Nu Chapter of Delta Sigma Theta was chartered in 1976 as a city-wide chapter with membership open to women from both University of Evansville and Indiana State University-Evansville.

Some of the 1984 functions sponsored by Kappa Nu chapter include: Who's Who among black students at U of E; Delta Sigma Theta Sweetheart Court; Co-hosts for Jesse Jackson fund raiser "An evening

with Shirley Chisolm; sponsored a dance in honor of the 2nd annual Black Student Conference.

Ken Coopwood was crowned Mr. D.S.T. 1984. Conrad Gordon received 1st runner-up, and Adrian Jones, second runner-up. The 1984 Men of Delta (lil brother group) were Ken Coopwood, Ed Culpepper, Conrad Gordon, Brent Hendon, Erick Jackson, Tony Jackson, Adrian Jones, Ed Wallace, Johnny White, Derrick Wilkerson, Rick Young.

# LAMBDA CHI ALPHA

Celebrating their 75th anniversary as a national fraternity, Lambda Chi Alpha ended one of their finest years by initiating their 1000th member to the Iota Mu chapter.

Lambda Chi started the year by raising \$1,400 for the Hillcrest Children's Home during their annual Watermelon Bust. The year continued on a high note as Lambda Chi teamed with Zeta Tau Alpha to win the homecoming float contest. Senior Deke Miller was nominated as the football homecoming king candidate.

During the basketball season, Lambda Chi got "purple" to capture

the spirit contest sponsored by Purple Pride. Myron Werner shared the spotlight as he was honored as the basketball homecoming king.

The spring quarter opened as Lambda Chi, the reigning champs combined with Chi Omega to capture second place in Musical Madness. Also, the annual Lambda Chi Alpha/Chi Omega Easter egg hunt went over with a smash. Lambda Chi's swept all three places in the Air-Band contest presented by Hughes Hall, and placed fourth in the Big 39 Bike Race. The quarter ended with a bang as Lambda Chi, which won 7-of-14 events, grabbed

the All-Sports trophy for the third consecutive year.

Campus involvement, by Lambda Chi, has shown in Student Congress, officers in the Interfraternal Council and the student newspaper "The Crescent". Thirty-eight men of Lambda Chi Alpha participated in inter-collegiate sports which includes football, swimming, golf, and track. Lambda Chi's have also been honored as sweethearts in 3-of-4 sororities.

The bond of Christian brotherhood will continue next year with Brad Reysz elected as President and Neal Tucker as Vice-President.

# PHI KAPPA TAU

The Delta Beta chapter of Phi Kappa Tau began the year on a positive note. Just before returning to UE the chapter was honored with the Maxwell Award — a national fraternity award for chapter excellence.

Phi Tau was as usual, involved in many activities. Phi Tau/Phi Mu placed second in fall Homecoming float competition, and Brother Joe Dash was second runner-up in Homecoming King competition. In Musical Madness, Phi Tau teamed with AOPi to produce "Family Feudin". The efforts paid off, with a third-place finish. Phi Tau also participated in the annual Big 39 Bike Race.

In the area of philanthropic activities, Phi Tau was strong. Phi Tau

collected more canned goods than any other organization for AOPi's Jesse James Day, benefitting the Evansville Blind Association. In Zeta's philanthropy, Big Man on Campus, Phi Tau participated, with brother Chuck Jones placing second runner up.

Phi Tau entered the games competition of Lambda Chi Watermelon Bust, a philanthropy for a local charity. Phi Tau took both first and second in games competition. Of course, Phi Tau's own philanthropy, Phi Tau Derby, was the biggest success of the year for the chapter. Last year, over \$8,000 was raised for the American Cancer Society — the single largest amount ever raised by a campus organization. This year,

Phi Tau Derby raised more than \$10,000, Breaking last year's record.

Campus activities was also an important area for Phi Tau. Chapter members belonged to many different organizations, including the campus newspaper, Purple Pride, Student Orientation Leaders, Cheerleading, and Student Congress. Also, Phi Tau's have recently been chosen to the positions of Student Association President and men's campus Intramural Director.

The chapter is winding down in anticipation of summer vacation, but all look towards the fall in eager anticipation of a strong rush effort.

Beginning on that hectic first day of rush workshop, the women of Phi Mu knew they had lots to look forward to. Greeting each other in their newly redecorated suite, the Phi Mus got set for another exciting year. They weren't to be disappointed.

Fall quarter began with the welcoming of 29 new sisters. Two of these Phis, Trisha Hard and Michele Beller danced to top honors in the Sig-Ep-A-Go-Go, following Formal Pledging and Parent's Banquet. No fall would be complete without Homecoming, during which the Phi Mus and the Phi Taus paired to build

a winning float, and Homecoming candidate Lori Howard was voted second runner-up. The weekend festivities ended with a foot-stompin barn dance. Success followed the Phi Mus during Winter Week as spirited sisters won the Spirit contest and cheered Angie Garrison on as queen.

The Phi Mus stayed in close touch with their sisters on other college campuses with a surprise visit to the Hanover College chapter, planned by the Phis for their big sisters. Meeting in Indianapolis with other Indiana chapters and alums, Phi Mus

exchanged ideas and songs during State Day.

Enthusiasm continued with a spring Phi class of seven and participation with the Si-Eps in Musical Madness. Phi Mu worked also to raise money for their philanthropy Project Hope. During the year Phi Mu also aided in raising funds for Unicef, American Cancer Society, and Arc.

To end the year on a successful note, Phi Mu received the Panhellenic Most Improved GPA Award and Intramural Sportsmanship Award.

The 1983-84 school year proved to be another busy and successful one for the men of Sigma Phi Epsilon. They opened the year with the largest fall pledge class among the five fraternity-26. For their community service project, the fall pledge class participated in the Big Brother/Little Brother program by adopting young men from Evansville inner-city.

In October, Sig-Ep participated with Phi Mu in their annual trick-or-treat for UNICEF; this Sig-Ep/Phi Mu effort raised the most money in the tri-state area. Also during this month, Sig-Ep held its annual Sig-Ep-A-GO-GO in the Great Hall; in the dance competition Phi Mu came out on top. As the fall quarter came to an end, Sig-Ep participated in homecoming activities. In the race for homecoming king, David

Tepool came in close second place. Also, Sig-Ep came in 3rd place in the float-building contest by being teamed-up with Chi Omega. With all the activities participated in, the men of Sigma Phi Epsilon still found time to study, and were rewarded by receiving the highest G.P.A. among all groups on campus.

As Winter quarter began, Sig-Ep participated in many activities. The chapter took part in Operation City Beautiful, held three campus, participated in Zeta Tau Alphas B.M.O.C. contest, a fathers weekend, held 3 date parties, along with 3 sorority mixers. The Sig-Eps took on Operation City Beautiful as their Winter philanthropic event, in which the entire chapter helped in the effort to clean up Evansville. They were rewarded in their effort by being asked to participating in a

television public service announcement. The Sig-Eps had three men participate in ZTAs B.M.O.C. contest, Miles Mann, David Tepool, and Gregg Mudd; the contest was won by David Tepool. The Sig-Eps ended their winter quarter with their annual "SPF House Rock" campus party.

During Spring quarter they saw many years of hard work culminate with the plans for their new house being finalized. The \$550,000 house will be the first house built on the new fraternity complex; construction will begin during this summer. Sig-Ep topped off their school year with a victory in the annual Big 39 bike race; along with this, all four members of the first team were chosen to the all-star bike team.

This year, as in past years, Zeta Tau Alpha has participated in and sponsored many excellent events on campus and within the community. As the celebration of their 20th anniversary approaches, the women of Zeta Alpha Chapter look forward to further continuation of successful and active involvement on the University of Evansville campus.

In the fall, Zeta Tau Alpha took first place in the Lambda Chi Watermelon Bust activities and also teamed up with the men of Lambda

Chi to win the first place trophy for Fall Homecoming Float display. The Zetas also participated in the Tau Kappa Epsilon Volleyball Tournament, taking second place in the games.

Success continued through the winter quarter as the women of Zeta Tau Alpha presented the first annual Big Man On Campus (B.M.O.C.) beauty pageant. Candidates nominated by the fraternities, sororities and other campus organizations comprised the line-up of "notable men

on campus." Money from this philanthropic project was donated to EARS, the Evansville Association for Retarded Citizens.

Zeta involvement in the spring included participation in the Little 39 Bike Race and Phi Kappa Tau Derby. In closing out the year, Zeta Tau Alpha was presented with the award of "Most Panhellenic Spirit", thru nomination by the other sororities on the U. of E. campus.

# DORM LIFE

Dorm life-a part of college that is in almost every student's life. The excitement of being away from home, meeting new people, gaining independence makes studies a bit more bearable. For some, it will be the first time away from home. For others, it has become a routine.

Each year is different. There are people, a variety of personalities,

new roommates, and more experiences to be shared. These experiences can range from sharing a midnight pizza to doing laundry.

For the veterans, Harpers is still the same, interesting. The food always tastes original and has interesting names. For the newcomers, however, this part of dorm life is yet to be discovered. But remember,

Domino's has fast and free delivery.

Living in the dorm offers many opportunities. Throughout the year, activities include intramurals, parties, dances, Musical Madness, the Bike Race, picnics, and the list goes on.

Dorm life — what would college be without it? Perhaps . . . empty.

The Crescent continued its tradition of reporting on UE and local events. This marked the fourth year in a row the weekly newspaper was judged "Division II Newspaper of the Year" by the Indiana Collegiate Press Association. The staff was inexperienced and young, but quickly learned from their mistakes.

Each Tuesday evening Crescent staffers gathered in the production facilities located in the basement of the Union Building to begin the task of laying out the paper. Staying up until 2 a.m. and getting up at 8 a.m. to finish work was not uncommon. (Hence the justification for Greg's favorite remark.) Despite the x-acto fights, broken equipment, and missing stories, the Crescent faithfully appeared on campus every Thursday as scheduled.

The LinC's Editorial Staff: Nancy Hanna: Managing Editor, Business Manager, Greek Section Editor. Greta Darlage: Senior Section and Faculty Section Editor. Lona Lee: Dorms Editor. J.R. Bueno: Sports Editor. Jose Simonet: Photo Editor. Cyndy Palmer: Editor in Chief. Jacquie P. King: Activities Editor.

The LinC staff this year was unusual just because there was one!! While ironing out problems continued to be an ongoing task of the Editor, once solved the staff worked well together. The late nights, or should I say the early mornings were always the most productive sessions. I'm sure Jacquie and Nancy can verify that.

Being a LinC staff member is not easy. The name LinC often brought questions of when the LinC's would be in, what about my group etc. All groups were given notice of when group pictures were being taken and what information was needed

by our staff members to accurately cover the group. Unfortunately not every group is covered as well as it could have been, but mind reading was not listed as a requirement to be a LinC staff member.

A special thanks goes out to Jeanine Ruzga and Donna Svets for all the typing and general tasks they performed to make this 53rd volume of the LinC what it is.

All of us here at the LinC hope this book has captured some of your favorite memories on it's pages. It is a book for all students we hope our efforts are appreciated.

## President Of the University Dr. Wallace B. Graves

Students often are inclined to think casually about their university yearbooks, to take them or leave them alone, so to speak. After all, events recorded in those yearbooks are still fresh in their minds. They see those people who are pictured in yearbooks almost every day on campus.

But when 10 or 20 years have rolled by, those yearbooks become precious possessions. Classmates

by then are scattered all over the world, and memories of faces and events begin to fade. University yearbooks provide records of life on campuses which cannot be found in any other documents. They are the histories of those who were the University "for one brief shining moment" and who made a permanent contribution to the character and worth of the institution.

I hope every student will think

about the LinC this way and will treasure their copies more and more each year of their lives. This LinC like all others, is dedicated to the students of the University Of Evansville for whom the University exists and through whom it lives. Best wishes to each of you now and always.

## Don't Knock Something Till You've Tried It!

I have never worked on a yearbook staff before, but when I was told how much fun it is, well, what the hey. There was only one problem "what do I do?" Well, I started out as the Sports Editor, but some how I ended up as the Managing Editor and the Greek Section Editor. No prob. There's a problem, the Business Manager has quit, and guess who has the job now? Business Manager a breeze, Managing Editor — did okay, Greek Section Editor — well let's just say I had a patient teacher to show me the ropes. Even with all the jobs, it was a lot of fun. I hope the Rookie didn't do too bad, remember it could have been worse.

Chi-O I don't know what to say sisters, except I'm very sorry. For two years I was a very active sister, you could count on me for anything and everything. Unfortunately this last year I was not. I know you counted on me and I let you down. Things changed in my life and I put a distance between Chi-O and myself, too much distance. I realized later that I had time for both, but I didn't make the time. I hope others will learn from my mistake.

Those special college days don't last forever, so take advantage of them while you can.

Noble Romans was another first for me. I have never waited on tables before or had I met a friend like Cynd. I'm glad you enjoy going to the river as much as I do, with a six pack of Mic. Good and bad times, I wouldn't change the times together for anything: Noble Romans, Malibu, the Rocks, the LinC, the trips to Indy, the bars, camping out, Mesker Zoo, Brown County, and the kids, all fourteen.

What are you doing?; Avery take good care of your mom; Kath and Anne I'm waiting for my invitations; Bart and Phil you better take good care of the girls; Kath you never know when you might get a phone call or a visitor; How are you?; I didn't bring the police; Andrew Thomas Hanna, my little guy; Happy Mother's Day Ribs; Reggie, there will always be a special place in my heart for you!!; Lee, I might not of called or written but you're still in my thoughts; I will build my log cabin!!!!

Nancy Hanna

## From the Editor

So much has happened in the last four years I find it hard to choose which events to comment on. When reading over other editor's statements I often wondered what made them think they were so important that they had to write page after page of their personal observations. Now I understand, it's not that editors are so important, it's just that there is a wealth of things to comment on in this world.

I would like to thank Nancy for all her help this past year. To finally have a managing editor was a treasure in and of itself, but when the M.E. is your friend it makes yearbooking that much more fun. I guess working at Noble's did have a purpose.

Mom, you know without you none of this would've been possible. Your support and friendship has meant more to me than you'll ever know. The phone bills alone almost equal the tuition here.

My education here at UE meant a lot to me and I am very thankful for the opportunity

and all the help. Joann, Verla and Jan in Financial Aid always came through for me, I thank you. Dr. Hartig you'll be missed by the University and especially by the students who knew they could come to you for help.

Jay Albright, I never met you — however I am a fan of yours. I'll be watching for you long after UE. You have a quality that radiates from you and can be felt by your audience. Much Success to you!!

My ex-roommate and one of my best friends here at UE, Jacquie King, if only we had encountered more open minds! Tough girls from the south side have to stick together! I'm glad we left Chicago and met each other. May we never have to go through another class like 330 again. Yes, we do have the best and the worst here at UE.

Mary Ann, where do I begin to tell you how important your friendship is to me? Since grade school we've shared laughter and tears. I am very thankful you were there for me. Keep me posted on when you get the urge to buy that kitchen witch — I'll know what that means. Keep in touch and give 'em hell at the Board!! You're extra lucky 'cause your mom is so special too!!

Final thoughts — My little guy. Elizabeth I love you! Julie thanks for being there. Nancy did you really have to bring the police? Kwesi!!!! E.R.A. must pass — for my future daughter's sake! Dee keep wearing those polos. Beth can I still use your desk? Please world don't be intimidated by people who speak their minds — it's your right too!! Apt. 17 my home! May my next office have at least one window and no Union Building Roaches. Purple gym shoes. Love ya Poopie. I'm still Innocent.
